
My Ambition

AGRIM SHARMA
(KINDERGARTEN)
GRANT SCHOOL

Me as

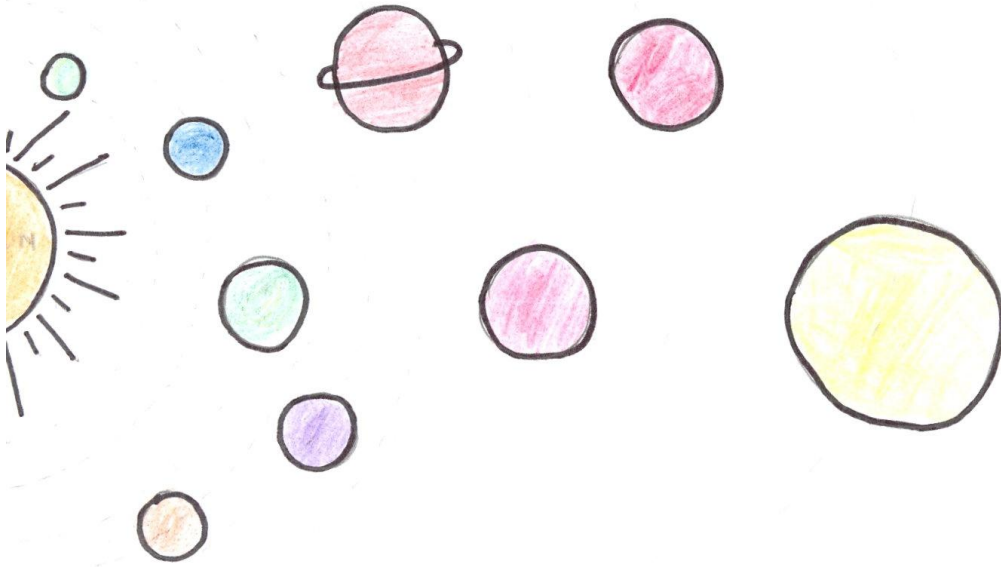

Astronaut

I want to be an Astronaut.

That because they go in the other

Space!

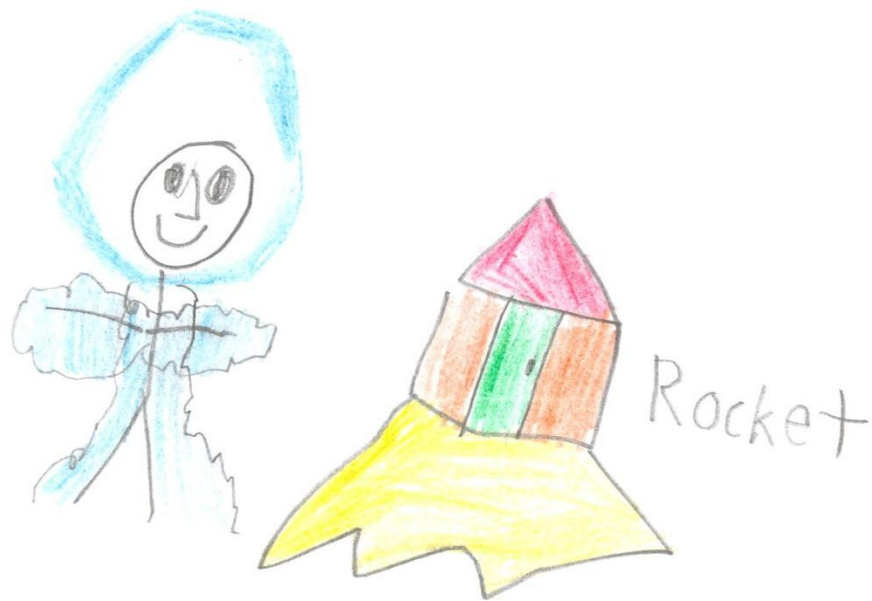

Planets

And I get to see the planets.

I think I will travel all the

planets.

I am scared a little but I
will travel all those planets sure.

You will see I will go to
other Space and see the satellite.

Wish me GOOD LUCK.
